About the Artist **STANLEY BELL**

1995 youngARTS Winner in Visual Arts
Stanley Bell likes to communicate through his art. He is currently focused on a series of paintings he calls "Landscapes," which will be exhibited in a solo show in Colorado in the spring of 2008. His work has been exhibited publicly in the Dallas Museum of Art, the Aspen Museum of Art and collected privately throughout the country. He currently resides in Carbondale, Colorado and is part of the artist collective SAW, [Studio For Arts + Works] which is a collaborative studio for working artists exploring all kinds of media. To see more of Bell's work, visit www.stanleybellstudio.com.
